Restaurant, Bar & Gallery

The legendary French & Mediterranean fusion restaurant Warisan™ Restaurant, Bar & Gallery is a perennial favourite for both locals and tourists. And after a major re-modelling, this celebrated restaurant has reopened its doors to an even more sumptuous and memorable experience by the new owners, Managing Director Cetin Candan from Jakarta and Dayu Sri. Guests are looked after with gracious, friendly, professional service, and events are coordinated with unparalleled perfection. Upon arrival at your table with the famous signature frangipani leaf bearing your name already in place, you may start your culinary journey with an array of exciting new French & Mediterranean menu created by a new Chef from Belgium, Vincent Denayer. The culinary delights range from an enviable selection of starters such as Drunken Lobster Ravioli in a rich Lobster bisque, Roasted Lobster tail delicately vanilla perfumed, served with vegetable tartar and Caramel ginger, or Assortment of Scallop Sashimi topped by a Pink Peppercorn Sorbet. Main courses range from the Marinated Lamb chop together with Cumin yoghurt and Mint served with Quinoa & Herbs, to the Duo of Pan Fried Duck Breast in Balsamic reduction and Duck leg confit salad served with succulent pear cooked in red wine.
